Application for Shire-Cross Recordation

The Shire-Cross Certificate of Recordation is issued to a horse sired by a Registered Shire Stallion out of a light breed mare. The Stallion must be registered in the Studbook of the Canadian Shire Horse Association (CSHA), the American Shire Horse Association (ASHA) or the Shire Horse Society (SHS). The Certificate of Recordation is a record of parentage only and does not constitute Registration in the CSHA Studbook. DNA testing is not required.
