Windcharger Deuce

DOB: May 12, 2017

Sire: Providence Flynn

Dam: Caerberllan Diamond

Coggins Tested and vaccinated with Vetera Gold

Black with 4 whites and a blaze

Deuce brings genetics from the UK including lineage back to Tremlow Commodore and Deighton Commodore. His Dam is sired by Leverton Joseph and Caerberllan Diana. His heads-up attitude would make him a good candidate for a lead horse.
